

- **Diverse Custom Machine Design and Equipment Builders**
 - *Single or multiple machines*
- **Complete Fabrication Services**
 - *Ferrous and non-ferrous metals*
 - *16,000 lbs. crane capacity*
- **Machining and assembly**
 - *Semi-automatic equipment*
- **Repair or make individual parts to complete machines**
- **Complete engineering services including:**
 - *Help find solutions to manufacturing problems*
 - *PLC / electrical systems and panels*
 - *Hydraulic, pneumatic and servo drives*
 - *Pick and place*
 - *Assembly*
 - *Conveying*
- **Other services include:**
 - *Emergency break down service 24hrs a day, 7 days a week*
 - *Maintenance and repair during company shutdowns*
 - *Design and build custom machinery*
 - *Machine removal, rebuild, and installation*

ATANICK EQUIPMENT, INC

Custom design & machinery builder

Serving Industry for Over 30 Years

**Automotive Industries • Steel Industry
Non-Woven Industry • Paint Industry
Light Industry • Construction Companies
Waste Water Treatment Plants
Plastic Vacuum Forming Industry
Manufacturing Facilities**

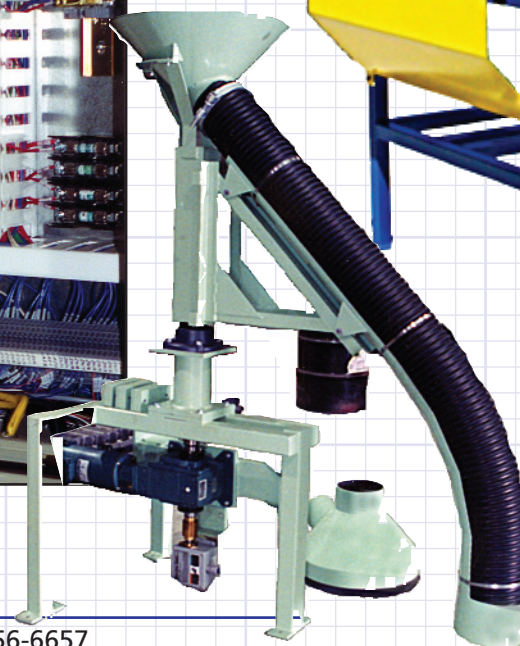

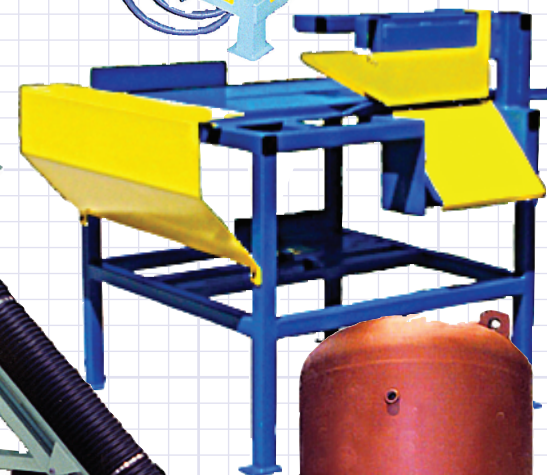

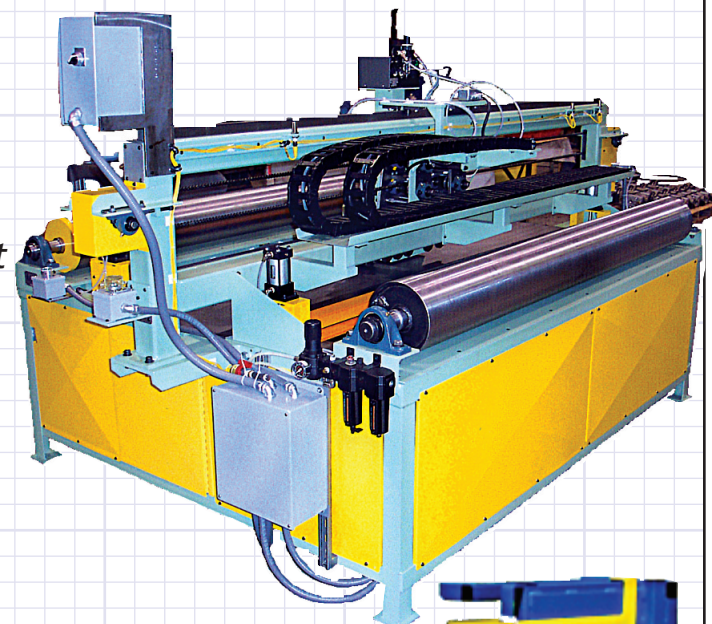

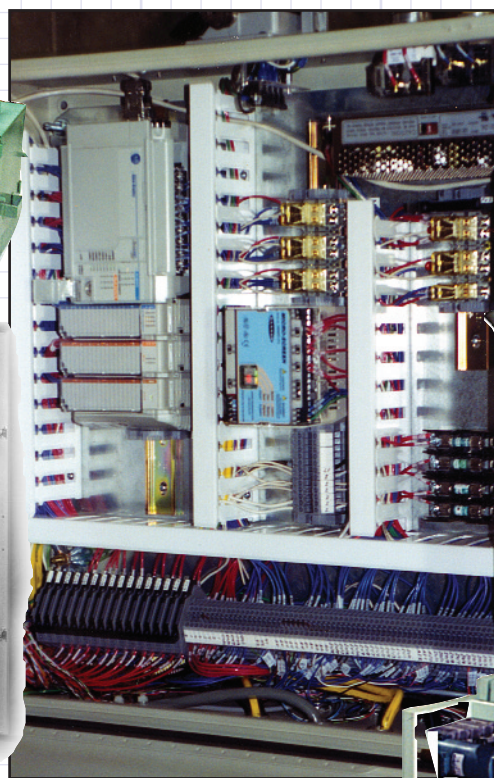

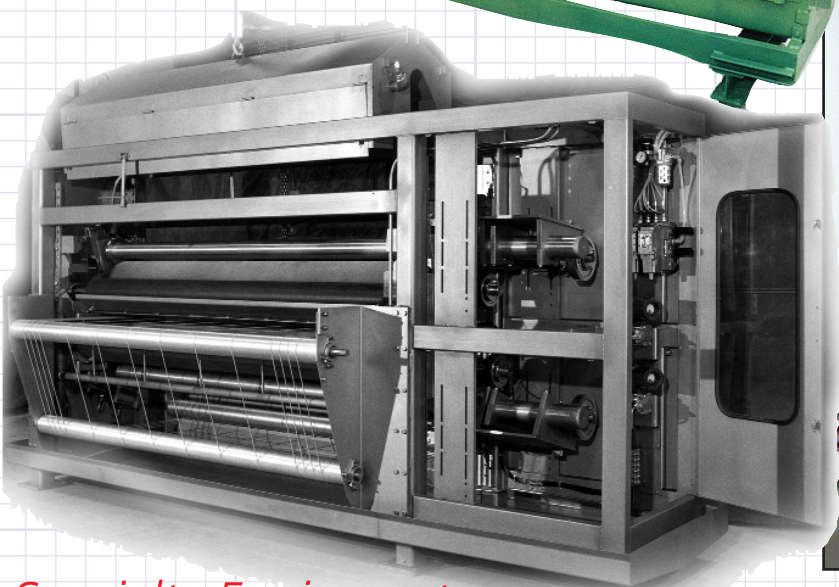

*You Make the Call...
...We'll Make the Difference*

MANUFACTURING & SALES

**720 River Road
Huron, Ohio 44839
Phone: 419-433-2200
Fax: 419-433-6261**

Complete Line of Machining and Fabricating Capabilities including:

- 200 Ton Pacific Hydraulic Press Break
- 100 ton Wysong Hydraulic Press Break
(2) axis control
- MG Burning Machine with Plasma
- Leblond Lathe
Capacity: 32" diameter swing, 20' center to center, digital readout
- Defume Horizontal Boring Mill
Capacity: 58 3/4" X-Axis, 39" Y-Axis, 38" Z-Axis, Digital Readouts

Specialty Equipment

– WATT Fluid Applicator®

- Protected by U.S. Patent No 5,314,119
- Non-contact coating system
- Currently being used in steel mills and the non-woven industry

– ASME Pressure Vessels
